أطهار عليهم السلام مؤلف گوید که ما در روز
سوم جمادی الآخرة زیارتی دیگر برای حضرت
فاطمه صلوات الله علیها نقل کردیم و علماء نیز
زیارت مبسوطی را برای آن مظلومه نقل کرده‌اند و
آن مثل همین زیارت است که از شیخ نقل کردیم
اول آن السَّلَامُ عَلَیْكَ يَا بِنْتَ رَسُولِ اللّٰهِ است تا
أَشْهَدُ اللّٰهَ وَ رُسُلَهُ وَ مَلَائِكَتَهُ که از اینجا به بعد به
این نحو است

Peace be on you, and mercy and blessings of Allah be on you. I approach Allah through you, I beg you to take care of me, I salute you,

We believe in Allah and His Messenger, and in that which he brought from Him, in that unto which he invited, in that unto which he guided. So, include us among the testifiers,

O Allah, and let not my this visitation be the last,

because Thou had given me the opportunity to come here before this, therefore, I shall bear witness, in the hour of my death to that which I testify in my lifetime,

that, verily, Ali is the commander of the faithfals, Hasan and Husayn, Ali bin Husayn, Muhammad bin Ali,

Jaa'far bin Muhammad, Moosa bin Jaa'far, Ali bin Moosaa, Muhammad bin Ali, Ali bin Muhammad,

Hassan bin Ali, and Hujjat bin Hasan, (Thy blessings be on them all) , are my

Imams;

that those who fought against them
and killed them were polytheists, and
those who abandoned them are now in
the lowest tiers of the burning fire;

that those who oppose them are our
enemies, we cut off all links with them,
they belong to the party of Shaytan (the
devil),

and those who killed them are
condemned and damned by Allah, the
Angels, and all human beings, included
among them are those who entered
into partnership with them, and
conspired together to kill (our) Imams.

O Allah I beseech Thee after adoration
and salutation, to send blessings on
Muhammad, Ali, Fatimah, Hasan,
Husayn,

Ali, Muhammad, Jaa'far, Moosa, Ali,
Muhammad, Ali, Hasan and the Hujjat,

let not my this visitation be the last,
and if Thou does so, raise me on the
Day of Judgement alongwith them who
are my declared Imams.

O Allah let us, from the bottom of our
hearts, yield to them, with obedience,
sincerity, love, dedication and
resignation

Salawat on Hazrat Fatima Zahra (S.A)

O Allah send blessings on the truthful Fatimah, the pure, the dearest darling of Thy most beloved friend, Thy Prophet, the mother of Thy friends and close supporters, whom Thou chose, favoured and gave preference over all the women of the worlds.

O Allah call to account those who wronged her and made light of her rights, and take revenge from those who killed her children,

O Allah, in the same manner as Thou chose her to be the mother of the Imams of guidance, the associate of the standard-bearer on the Day of Judgement, and gave her the loftiest position in the highest heaven, so, send blessings on her and on her mother, blessings that brighten the face of her father, Muhammad, blessings of Allah be on him and on his children, which give joy and delight to her children, and convey my heartfelt salutations and greetings to them just now.

Ziaraat of Bibi Fatima (S.A) to be recited on Sunday

بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ

Peace be on you, O the carefully examined, tried and measured by Him who created you, and found you, in your test, cool and compact, steady and stable.

I tell the truth about you; calm and quiet, with self control and composure (you) put up with all that which your father and his "Wasi" (successor) came across, blessings of Allah be on them. I beseech you, If I have stated the truth, to bind me together with the testimony, concerning both of them, in order to give joy and satisfaction to my heart and soul.

So bear witness that truly I, by heart, made evident your, and your children's "wilayat" (superintendent guardianship), blessings of Allah be on them all.

Biography

Introduction

Fatimah SWT is the only daughter of the Prophet of Islam SAWS. Our Lady's mother's name is Lady Khadijah (R.A) the first wife of the Prophet SAWS. The only wife in whose lifetime the Prophet SAWS never married again. Holy Fatimah (SWT) is the wife of the Lion of Allah Imam Ali A.S. She is the mother of Imam Hassan and Imam Hussain A.S (The Chiefs of the youth of Heaven), Lady Zenab (SWT), Lady Umme Kulsum (SWT) and Prince Mohsin (The child who was killed by the sword of a muslim). Holy Fatimah (SWT) is also the ancestral mother of 9 other Imams of the Holy Household. She is also among the five in the 'Panjtan Pak'. Her appellations include 'Zahra' and 'Sayyidatin Nisa' (Chief of the Women). Her filial appellations include 'Umme Abiha' (Mother of Imam Hussain and Imam Hassan A.S), Umme Sibtain and Ummul Ima (Mother of Imams).

Birth

The light of Holy Fatimah's existence was made with that of the Holy Prophet SAWS much before the creation of the Universe. However visible existence came into being on 20th Jamad us Sani (5th year after the declaration of Prophethood) on Friday. The year was 615 A.D. At the time of our lady's birth there were heavenly nymphs and pure women who descended from heaven to carry out the duty of delivery. These pious and pure women included:

- * Lady Mariam daughter of Imran (mother of the Prophet Jesus)
- * Asia daughter of Mauzahim
- * Safoora daughter of Shoab
- * Kulsum sister of the Prophet Moses

Lady Khadijah on account of the delivery shows that as she had married without the

consent of her tribe with the Prophet SAWS. The tribe had done a total boycott of her. However with the grace of Allah heavenly nymphs and pure and pious women did the delivery of our Lady fatimah SWT.

Fatimah SWT only Female Child

It is an established fact that the Lady Fatimah (SWT) and Prince Qasim Abdullah were from Hazrat Khadijah and the Holy Prophet SAWS. The difference arises between Shia and other sects that the Prophet SAWS had other daughters which were Zainab, Rukhya (Wife Hazrat Usman) and Umme Kulsum. It is a known truth that these three daughters were wedded to pagans. The names of which include Abul Aas bin Rabi. Reference is available from Masudi's accounts. However this above information is incorrect. The Prophet of Islam would never marry his daughters into the pagans. These three daughters were actually the nieces of the Lady Khadijah (R.A). However as Lady Khadijah was a woman of dignity and high calibre, she treated her nieces gently and lovingly as though they were her own daughters. These nieces were called daughters of the Holy Prophet SAWS as Zaid was called his son. However in actual fact they were not Holy Prophet's (SAWS) children. When the Holy Prophet SAWS married Lady Khadijah at that time the Holy Prophet's age was 25 years. It is unanimously accepted that the Prophet SAWS had no children till the age of 30. It is also accepted that these three daughters were married before the revelations came. This means that the Holy Prophet SAWS in 10 years had three daughters married and also married them of. Certainly this is illogical and impossible. This proves that the Prophet SAWS had just two children. Qasim Abdullah (Died in Infancy) and Our Lady Fatimah(SWT).

Early life and Training

Our Lady was totally different from the rest of the girls of that age. Umme Salma was asked to teach Our Lady principles of Culture. However Umme Salma replied that what could she teach the model of purity and chastity and I myself would take knowledge and

teaching from this Baby girl. Books written by various writers indicates that Our Lady's entire young age was spent serving her parents and praying to the All Mighty Allah.

Oneday when the Prophet SAWS was praying in the courtyard of the Holy Kaaba. The accursed AbuJahl (Uncle of Hazrat Umar) saw the Prophet in prostration to Allah. He put a tripe laden with compost of the camel on the Holy Prophet's back. When the news of this act reached the Holy Fatimah (SWT) she came running and removed the tripe of the Prophet of Islam's Back. Then washed the Holy back with water. On this occasion the Prophet (SAWS) said:

"Daughter! One day these enemies will be subdued and the lord will give my religion utmost superamacy."

It has been reported that Lady Khadijah (R.A) was preparing to go to a wedding. When she started to put her clothes on she was informed that Our lady had no clothes. This made Lady Khadijah (R.A) to be worried but when Our Lady got to know about her mother's anxiety that her daughter had no clothes. Our lady Fatimah (SWT) said : "Dear Mother! I will go wearing old clothes, because father dearest says that the best jewellery for muslims girls is life of piety and absitence and the best decoration is modesty and bashfulness."

Lady Fatimah (SWT) system of work

After going to His Holiness (Imam Ali (A.S)) house. Our Lady Fatimah (SWT) established such a system that is a model for all the women of the world to follow. Her Holiness (SWT) did all the household work alone. The work included cooking food, weaving, grinding the flour by the use of a handmill, sweeping and Training the two young Holy Imams Hassan (A.S) and Imam Hussain (A.S) and the two princesses Her Holiness Lady Zenab (SWT) and Her Holiness Lady Umme Kulsum (SWT). All these works our Queen used to do but never was there a change Her Holiness's temprament nor did Her Holiness (SWT) ever complaint to Imam Ali (A.S).Her Holiness Lady Fatimah (SWT) never asked

for a slave girl. However when Our Lady (SWT) was given a maid in the 7th year of Migration of the Holy Prophet (SAWS) from Mecca to Medina. Her Holiness (SWT) treated the servant not as a servant but as if a close friend and associate. Oneday Our Lady (SWT) used to do the chores of the house and the next day Lady Fizza (The Maid of Her Holiness Lady Fatimah SWT) used to do the work. Hence the system was of taking turns at doing the work of the House. This system adopted by Her Holiness (SWT) made Lady Fizza feel like a part of the House and not as a servant. Actually this was a true example of the House of the Prophet (SAWS) system of equality.

Fatimah (SWT) and The Islamic Dress

Our Lady Fatimah (SWT) has explained clearly the acme of the Women. These acmes are staying indoors and observing the Islamic Dress. The Islamic dress code of wearing a veil and wearing such a dress which protects a women's honour and beauty from the gaze of male strangers. Today we see that by not observing the Islamic dress code muslim women open themselves to the lust of many unscrupulous men.

Time has revealed to us that the Ahlul Bait (A.S) (House of the Prophet SAWS) has always tried to protect the humans especially the muslims from disasters caused by the people's own wrong doings.

The Holy Lady (A.S) who was well aware of these Islamic principles practiced these Islamic fundamentals most strongly. Her Holiness stayed indoors, wore a veil and maintained utmost privacy. In Her Holiness's house was a door which opened into the mosque of the Holy prophet (SAWS). Despite having this facility Her Holiness never joined congregational prayers behind the Holy Prophet (SAWS) inside the courtyard of the mosque. When the Holy Prophet (SAWS) used to give advice or lectures in the courtyard of the Mosque of the Prophet (SAWS) , Our Lady (SWT) still never came into the

courtyard of the Mosque. Once it happened that His Holiness The Prophet (SAWS) put a question to His Holiness companions who were present in the courtyard of the mosque.

The Question was as follows:

"What is the best thing for a woman?"

When Our Lady Fatimah (SWT) was informed of this question . Her Holiness replied that the best thing for a women is that her glance never falls on a male stranger and the glance of a male stranger does not fall on her

When this answer reached The Holy Prophet (SAWS), His Holiness was rejoiced and said:

"----Fatimah (SWT) is a part of me (His Holiness The Prophet of Islam (SAWS))".

Ibn Al-Maghazili mentions in his book Manaqib that (His Holiness) Ali ibn Al-Hussain ibn

Ali (A.S) said:

"Once a blind man asked for permission to enter Fatima's (Her Holiness) house but she kept a veil between them. The Messenger of Allah (SAWS) noticed her (Our Lady Fatimah (SWT)) actions and asked:

'Why did you (Her Holiness(SWT)) keep a veil between you (Her Holiness (SWT)) when he cannot see you?"

Her Holiness Fatimah (SWT) answered :` Messenger of Allah, it is true that he cannot see me (Her Holiness (SWT)), but I (Her Holiness (SWT)) can see him and he can smell my (Her Holiness (SWT)) fragrance.'

At this, the Prophet (SAWS) said : "I bear witness that you are part of me".

(Book `Fatimah the Gracious' Pg 187)

Death of the Holy Lady (sa)

After the death of Holy Prophet (saw), people disobeyed the will and advices of Holy Prophet (saw). They collected themselves and elected a caliph amongst them inspite of explicit announcement of Imam Ali's (as) vicegency by Holy Prophet (saw) duing his last Hajj. People came to Bibi Fatima's house to forcefully take oath from Imam Ali (as). When

she denied from behind the door, people who wanted the oath pushed the door such that it fell on the Holy Lady Fatima (saw) and then crossed over the door, while the Holy Lady was below the door. The door also had a nail which pierced the Holy lady's body. The child in her womb died because of this atrocious incident. The caliph of that time snatched the land of Fadak which Holy Prophet (saw) gifted in His life. People closed their doors on the Holy households of Prophet (saw). All such events made Bibi Fatima (saw) weaker day by day and she passed away within an year after the death of her father.
